Figure 8

This diagram shows an exploded perspective view of a portable electronic device, likely a handheld PDA or similar. The main body is labeled 30. It features a top surface 32, a front face 36, and a bottom surface 50. A hinge mechanism 40 is located on the top edge. A display screen 42 is shown in an exploded position, revealing internal components like a keyboard 44 and a trackball 62. A side panel 68 is also shown in an exploded position. A small component 84 is shown at the bottom left, and a component 82 is shown at the bottom right. Other numbered callouts include 38, 50, 62, 68, 85, and 82, pointing to various internal and external parts of the device.
